There was a discussion regarding the annual Dipsea Race this year. Mr. Hubbard spoke about a possible change in routing the runners from Mill Valley to Stinson however it was the opinion of the Club that unless the race was run over the Dipsea Trail it would lose it's appeal.

The subject of a celebration for 1950 was also brought up and it was decided the Club make recommendations to the Community Center of Stinson Beach thru the Club's Representatives. It was moved and seconded that Progressive Club of Stinson Beach instruct their Representatives to S. B. Community Center that the Progressive Club is in favor of having a celebration in 1950 and pledges full support. The date for the celebration is to be left for the decision of the S. B. Community Center Inc.

Ruth Miller suggested everyone give the matter some thought and bring in their ideas to the next meeting and they in turn can be presented to the Director's of the S. B. Community Center Inc.

Mr. C. J. Green brought up the matter of the greyhound service to the commuters. The early commuter service is now routed thru Sausalito instead of direct to San Francisco. Mr. Green was of the opinion that a letter addressed to the Greyhound or Railroad Commission in behalf of the Stinson Beach Commuters, explaining the situation, might have some bearing on the matter. Inasmuch as the Progressive Club stands ready to back the commuters, a motion was made by Mr. Hubbard to the effect that Mr. Green be appointed to act as a committee of one to be empowered to hand the matter. The motion was seconded and carried. Mr. Green advised he would prepare letter and submit same to club.
